

DEAR PARENT/GUARDIAN OR STUDENT:

Education allows us to be truly human. It deepens us and enables us to build a better society and a brighter future. The profundity [depth] of education determines the profundity [depth] of culture, the nature of society and the firmness of peace. Education plays a major role in creating deep solidarity [harmony], mutual understanding and trust.

Daisaka Ikeda, Ph.D.

PLEASE REMEMBER THAT EDUCATING YOUR STUDENT IS A JOINT EFFORT!
